

PETITION

SPOTSYLVANIA BOARD OF SUPERVISORS RESIDENTS OPPOSING T-MOBILE CELL TOWER

Location: Behind Texas Road House restaurant on state route 3
Plank road.

A proposed cell tower of 150' is to be erected right behind the residential neighborhood of Maple Grove subdivision. The tower will be in very close proximity of historic Salem Baptist church as well as 2 daycare centers and right next to the nursing home on state route 3.

Concerns:

1. Decreased property values
2. Number of existing cell towers & antennas
3. Possible health risks of radiation emitted
4. Visibility of 150' tower in neighborhood

Request: We the residents of Spotsylvania county demand the Board of Supervisors deny the permit allowing the erection of the T-Mobile cell tower at the current proposed location.

Petition Spotsylvania Board of Supervisors;

To: Residents opposing planned site of T-Mobile cell tower located behind Texas Road House on Rt. 3 We the undersigned demand that no tower be erected at this location
