

New Version on NOVUS Notes

There were some clerical changes made to the version of Ordinance No. 4-31 that was uploaded last week. The version currently on the Agenda is the current version that will be adopted on October 10, 2017 should the Board choose to adopt it. Below is a list of changes from last week's versions to the version currently on the Agenda:

Section 4-1, Definitions:

The definitions for "Companion Animal" and "Direct and Immediate Threat" were switched so that they are in alphabetical order.

Section 4-24(b):

Changed the word "and" to "an"; added comma after the word "investigation"; deleted the word "his"

Section 4-31:

Changed the words "other officer" to "law enforcement officer"

Section 4-32:

Removed redlined paragraph. This paragraph is already in the current code so therefore, does not need to be redlined.
