

Proposed Library at the Spotsylvania Towne Centre

Martha Hutzel
Library Director

Thank you!

We know you love the library! Thank you for your support.

We are excited to have an opportunity to expand services in Spotsylvania County.

- Rent free space from the Cafaro Company (annual value of \$75,000)
- Over 2,000 square feet at the 2nd busiest entrance to the Mall
- Includes built-in shelving, counters, a service desk, carpet, light fixtures
- It's ready to go, just needs some slight refurbishing
- Great partnership between the County, the library and the mall

Libraries are destinations in communities.

A branch at the Spotsylvania Towne Centre will generate consistent visitors and shoppers and is a win-win for everyone.

Meeting Comprehensive Plan Goals

Inexpensively helps to meet the following goals:

- Located on or near heavily traveled roads, or in or near shopping areas and be clearly visible to traffic.
- Located within the Primary Development boundary
- Located along main travel corridor with consideration of minimizing users' drive time.
- Establish new libraries in leased commercial spaces such as shopping centers.

Spotsylvania Towne Centre Branch

This location would offer:

- MakerLab and STEM activities
- Storytimes
- Computers for all ages and free WiFi access
