

Franklin's Crossing Assisted Living @ River Meadows, Fredericksburg, VA., 22408.

As a 16-year resident of River Meadows, I now strongly agree & support the new building plans set for, The Franklin's Crossing Assisted Living project. I believe, that this new proposal has addressed concerns which were brought up during our 1st meeting. This new proposal curtails the anxiety of dealing with traffic, noise, (all hours of day & night) rentals, (undesirable type of people(s)). I also appreciate your assistance with traffic measures & cost studies set by Vdot to include the locality/HOA.

I wish to thank you; Mr. Lee Garrison & Mr. Charles W. Payne, (Hirschler Fleischer).

Respectfully,

Jose' R. Ortiz
