Ed/Wanda:

I hope this finds you both well. sPower desires to extend the board of supervisor's decision period to the end of April 30, 2019. It is my understanding that period is currently scheduled to expire the end of this March.

We further desire to move the scheduled February 5, 2019 meeting to February 19 if available. If not, we desire to move it to March 5, obviously subject to board approval.

Given the February 5 date is soon to be advertised, we thought important to provide this extension request now.

Please contact me with any questions and appreciate your time in advance on this matter.

Have a nice holiday weekend.

Respectfully,

Charles W. Payne, Jr.
