Chief Cullinan,

Atlantic Emergency Solutions is proud to offer the enclosed proposal for a 2020 Pierce Enforcer Pumper. The accompanying documents provide comprehensive information on the apparatus and its components, along with specifications and details on parts and equipment that make up the apparatus.

The pages following this letter contain information on pricing, financing options, and pre-pay discounts. Pricing was formulated using contract 1420 through Fire Rescue GPO, for fire service apparatus. This contract includes language allowing its use by "Other Public Bodies" and has been utilized by a number of other governments for procurement of fire and emergency equipment.

I appreciate the opportunity to have worked with you and your committee on the design of this piece of apparatus. On behalf of everyone at Atlantic, thanks for the consideration and we look forward to working with all of you in the future.

Sincerely,

Michael Yancey
